

1995 PCWO RESOLUTIONS

95.1 Supporting Physiotherapists in Ontario

95.2 Preventing Spina Bifida

95.3 Women as Caregivers

95.4 Making Children's Mental Health a Priority

95.5 Alternate Treatment to Incineration of Sewage Sludge

95.6 Encourage the Use of Ethanol Blended Fuels

95.7 3Rs and Alternative Technologies for Waste Treatment and Disposal

95.8 Legislative Recognition for Early Childhood Educators

1995 PCWO RESOLUTIONS

95.1 Supporting Physiotherapists in Ontario

- a) to review regulations governing licensing of physiotherapists in Ontario
- b) allow greater number of licensed physiotherapists to have an OHIP billing number

95.2 Preventing Spina Bifida

- a) to publicize, more widely, facts about potential benefits for a woman of child-bearing age to ingest a 0.4mg daily supplement of folic acid.

95.3 Women as Caregivers

- a) to identify issues and proposals to ensure greater responsibility is taken by both government and community for giving support to women with care giving roles

95.4 Making Children's Mental Health a Priority

- a) make children's mental health a priority
- b) ensure the three ministries involved in children's mental health cooperate in developing a plan for effective use of funds
- c) focus on prevention of mental health problems in children and youth.

95.5 Alternate Treatment to Incineration of Sewage Sludge

- a) replace incineration of sewage sludge with safe alternate treatment measures
- b) prepare formal policy statement requiring municipalities to adopt the MOEE's model sewer-use bylaw as an interim measure until MISA municipal regulations are in place
- c) continue 3Rs Waste Reduction Program

95.6 Encourage the Use of Ethanol Blended Fuels

- a) to encourage increased use of ethanol blended fuels by internal combustion engines by establishing a tax structure that would be less for ethanol blended than for petro-carbon fuels

95.7 3Rs and Alternative Technologies for Waste Treatment and Disposal

- a) promote, as an alternative to incineration, the proven and available technologies for waste disposal
- b) continue 3Rs Waste Reduction Program

95.8 Legislative Recognition for Early Childhood Educators

- a) to expedite granting of formal legislative recognition to the profession of Early Childhood Educators.
