86.9 Solvency Guaranteed Fund

1986 PCWO RESOLUTIONS

86.1 Self Defence

- a) to make available mandatory courses to help young people to learn how to protect themselves from abuse

86.2 Legislation

- a) to initiate legislation to help municipalities formulate and enforce regulations regarding rooming houses
- b) to establish a Task Force to study the rooming house problem, including the need, security of tenure and quality, and to report on solutions.

86.3 Coverage of Extended Travel and Accommodation

- a) to ensure that OHIP covers necessary medical travel to the nearest qualified facility, if it is over 200 miles' distance
- b) to ensure that standard accommodation costs directly related to medical, surgical or out-patient services (for persons who must travel over 200 miles) are claimable expenses under OHIP

86.4 Affordable Rental Housing

- a) to increase the supply of affordable rental accommodation by the funding of more non-profit and co-operative housing and
- b) at the same time, ensuring greater enforcement of guidelines which govern distribution of this type of housing
- c) strengthen the rent review process by establishing a central rent registry to protect tenants from illegal rent increases.

86.5 Midwifery

- a) to enact Legislation for the recognition of Midwifery as a self-regulating Profession in Ontario

86.6 Volunteers

- a) to request that volunteer hours be documented by all users of these services and
- b) that volunteers be used to enhance programs, not to replace permanent part-time or full-time employees.

86.7 Adoptions

- a) to reinstate in legislation, provision for adopting subsidies, where appropriate for hard-to-place children

- b) to ask the Federal Government to adopt a policy of reimbursing the Provincial Governments for adoption subsidies

86.8 Curriculum

- a) to make available mandatory courses to help young people to learn how to protect themselves from abuse.

86.9 Solvency Guaranteed Fund

- b) Insurance Program to develop a "solvency Guaranteed Fund" insurance program, covering all types of instruments sold by insurance companies.
