1987 PCWO RESOLUTIONS

87.1 Alcoholic Drinks Available to Minors: Sarasoda

- a) to cause SARASODA and like products to be removed from super-markets, grocery stores, gourmet shops, drug stores etc.
- b) to prohibit the promotion of these products through advertising and give-away samples.

87.2 Daycare Safety Standards

- a) to provide subsidies to operations of daycare facilities in private homes with the provision that the premises will be inspected regularly to ensure that they meet fire health and safety standards established for Daycare facilities in private homes.

87.3 Fruitland of Niagara

- a) to disallow any new quarrying of the specialty lands of Niagara

87.4 Health Education and Information Centres

- a) to urge the Government of Ontario, together with other appropriate agencies, to establish Health Education/Information Centres which would act as umbrella organizations to coordinate Health Education/Information and analyse needs and
- b) establish Health Education/Information programs where needed, making these Centres readily accessible to the public, both in geographical location and the services provided.

87.5 Human Embryos: experimentation on

- a) to establish a Task Force upon the moral and ethical implications of experimentation on human embryos and
- b) to request the Medical Research Council not to legitimize embryo experimentation, either by endorsement or by producing guidelines to govern this technology.

87.6 Infant Safety in Cars

- a) to promote the education of the public as to the correct usage of infant car restraints

87.7 Nuclear Projects

- a) to halt all further construction at Darlington and other planned nuclear projects
- b) to proceed diligently to pursue environmentally-safe alternative methods of providing and conserving energy for Ontario.

87.8 Payment of Pensions

- a) to enact Legislation allowing money in Pension Funds to be withdrawn safely for the purpose of paying pensions

87.9 Public Safety in Emergencies

- a) in cooperation with regional and municipal government to review recent disasters to discover ways of improving public response in emergencies
- b) to assess current community emergency plans for adequacy and revise them where appropriate
- c) to educate the public to understand the emergency plans and what is expected of citizens
- d) to initiate regular emergency plan practices in order that they become tested and refined, and citizens gain experience and familiarity with the procedures

87.10 Provision and Funding of Sexual Assault Centres

- a) to set up area Sexual Assault Centres as a cost effective and necessary community service
- b) to recognize the expertise already available in rape-crisis centres throughout Ontario and refrain from unnecessary duplication of existing mechanisms providing services to victims of sexual assault where members of the Ontario Coalition of Rape-Crisis Centres are available to provide such services
- c) to provide adequate courses for law enforcement officers, advising them of the problems and. subsequent trauma faced by victims of sexual assault in our society

87.11 Safety Standards

- a) to provide subsidies to operators of daycare facilities in private homes, with the provision that the premises will be inspected regularly to ensure that they meet fire, health and safety standards established for Daycare facilities in private homes

87.12 Television Awareness Training for Pre-Schoolers

- a) request the Ministry of Education and the Ministry of Community and Social Services to study the problem with a view to providing programs and resources that will enable parents and teachers to encourage pre-schoolers to acquire critical viewing skills.

87.13 Trained Workers

- a) to provide subsidies to operators of Daycare facilities, sufficient that trained daycare workers receive salaries in line with those of health-care and educational workers having comparable education.
